LOYALTY TO PROTÉGÉ POLICY

Policy number:	3.1.3	Approved by Management Committee:	27th March 2024
Version:	4.0	Signed off by Executive:	27th March 2024
Responsible person:	Coordinator	Scheduled Review Date:	27th March 2027

Purpose

Capricorn Citizen Advocacy strongly aligns itself with the principle of loyalty to the Protégé. This means it is essential that the Advocate strives to see situations from the Protégé's perspective and acts at all times in the best interest of the Protégé.

Policy

Primary Focus of Advocates

In all of its contact with Citizen Advocates, including recruitment, training and support, follow up, and any other assistance to Advocates, office staff will rigorously emphasise the importance of loyalty to the Protégé, as opposed to any perceived need for loyalty to the Citizen Advocacy office.

Capricorn Citizen Advocacy staff will not ask for or give the impression that it is expected that Citizen Advocates need to report in regularly, or at any particular time or for any particular purpose, nor will Advocates ever be given the impression that they are volunteers to the Citizen Advocacy office, to service providers, or to a Protégé's family.

Orientation of New Advocates

Capricorn Citizen Advocacy staff will ensure that loyalty to the Protégé is specifically structured into advocate orientation sessions, and that the principle is revisited with Citizen Advocates at all appropriate times. Advocates will be oriented to the fact that they have been recruited to be matched with one Protégé, and whilst support will be forthcoming on a regular basis from the CA office, they shall be independent in all respects of the Capricorn Citizen Advocacy office.

All literature developed for either internal or external purposes shall at appropriate times, emphasise the principle of loyalty to the Protégé, and fully explain the meaning and implementation of this principle.

Any written documentation between the Citizen Advocate and the Capricorn Citizen Advocacy office staff will ensure that the principle of loyalty to the Protégé is emphasised.

Support and Follow up of Matches by Office

From time to time, Capricorn Citizen Advocacy office staff will attempt to assess the practice of Citizen Advocates in respect of their loyalty to the Protégé.

This will usually occur during follow up and support activities, especially where the Advocate reports instrumental action on behalf of the Protégé.
